[BREEZE ESP+](#), the powerful cloud-based solution used by professionals worldwide to calculate, store, and manage emissions, is available for purchase as four separate modules that range in capability and price:

- ▶ BREEZE ESP+ TankESP LT
- ▶ BREEZE ESP+ TankESP FX
- ▶ BREEZE ESP+ TankESP PRO
- ▶ BREEZE ESP+ PRO

To view a side-by-side comparison of the features and capabilities offered in each module and determine which will best fit your needs, click [here](#).

In addition to these four core modules, an optional add-on, the Sitewide Rolling Emission Report, is available for purchase separately. This advanced reporting tool is compatible with BREEZE ESP+ TankESP FX, TankESP PRO, and ESP+ PRO. For detailed information on all modules and the Sitewide Rolling Emission Report, please click [here](#) to view the product tech sheet.

The following pages include pricing details for all BREEZE ESP+ modules and the Sitewide Rolling Emission Report. Please note:

- ▶ Prices listed exclude tax; applicable taxes will be included in the formal quote.
- ▶ Regulatory agencies receive a 20% discount.
- ▶ For annual subscriptions, the Subscription Price is due in order to begin your subscription and the Renewal Price will be due one year after the subscription begins.
- ▶ If you wish to purchase additional subscriptions for an existing BREEZE ESP+ account, we will prorate the cost as needed to align with your current renewal period. As a result, your total amount due may differ from the prices shown here.

Sitewide Rolling Emission Report

The Sitewide Rolling Emission Report add-on pricing varies based on the core BREEZE ESP+ module as well as the number of users. The prices below are in addition to the core module pricing in the previous section.

- ▶ Example: If you want to purchase one single-user annual subscription to BREEZE ESP+ PRO as well as the Sitewide Rolling Emission Report, your total initial cost will be \$5,510 USD, and after one year, your total subscription renewal cost will be \$1,670 USD.

Note: The Sitewide Rolling Emission Report does not store any data. As such, if you opt to add the Sitewide Rolling Emission Report to your BREEZE ESP+ subscription, you may cancel your subscription to this add-on at any time without affecting your existing ESP+ data or subscription. However, please be aware that if you choose to re-subscribe later, the initial Subscription Price will apply again.

PROCUREMENT DETAILS

To proceed with your BREEZE ESP+ purchase, please contact the BREEZE Sales Team at breeze@trinityconsultants.com or +1 972-661-8881 to request your quote. As soon as we know which BREEZE ESP+ module you are interested in, whether you would like to add the Sitewide Rolling Emission Report to your subscription, and how many users will need access to BREEZE ESP+, we will provide you with your quote as well as our accepted payment methods for you to proceed with your purchase.

Then, upon receipt of your payment or Purchase Order, we will create the BREEZE ESP+ account of the first Admin user if multiple subscriptions are purchased, or the sole user if only one subscription is purchased, and email the access instructions.

If you have any questions about BREEZE ESP+, please contact us at breeze@trinityconsultants.com or +1 972-661-8881. We are happy to assist.
